

CAPITAL REWARDS by Tri-anim

Access leading-edge technology through our Acute Care Capital Equipment programs

Earn capital equipment for your facility while purchasing products you already use today!

- Wide variety of innovative respiratory product categories
- Multiple respiratory equipment options to choose from
- Earn points based off of your total qualifying annual spend
- More Spend = More Points Earned = More Capital Equipment
- HealthTrust accounts must purchase qualifying contracted items in order to earn points

Earn Aerogen, Philips or BrainScope capital equipment for your facility through existing and future consumable purchases!

- Manufacturer specific
- Aerogen Pro-X Controller is placed in exchange for consistent annual purchases of Aerogen Solos
- BrainScope point of care device is placed in exchange for consistent annual purchases in BrainScope single use headsets
- Philips FAST LPS Module is placed in exchange for consistent annual purchases of Philips FAST sensors

Extend your capital budget while complying with federal “Safe Harbor” laws
