PHILIPS

Earn a Philips High Flow Therapy Field Upgrade for your V60 through existing and future AC611 High Flow Nasal Cannula, and Non-Invasive Ventilation Mask purchases.

NIV AND HFT: A POWERFUL UNION

Tri-anim understands the business of healthcare and offers value-oriented programs designed to improve patient care and maximize operational efficiencies. The Rewards Select program provides immediate use of the the Philips Respironics V60 Plus* ventilator that integrates noninvasive ventilation (NIV), invasive ventilation and high flow therapy (HFT) on one device.

Choose the best option for your patients among our range of Philips NIV masks and high flow nasal cannulas. Designed to work together, this solution:

- ✓ Enables therapy transitions
- ✓ Supports skin-protective strategies
- ✓ Calculates and displays patient leak automatically in NIV modes to aid mask adjustment

* The V60 Plus, with high flow therapy, is a modification to the existing FDA cleared V60 ventilator and is released in accordance with FDA's guidance, Enforcement Policy for Ventilators and Accessories and Other Respiratory Devices During the Coronavirus Disease 2019 (COVID-19) Public Health Emergency, Section IV Policy for Modifications to FDA-Cleared Devices, issued March 2020. The use of this device and the software upgrade, as configured, is authorized during the COVID-19 public health emergency only, unless terminated or revoked or if the device receives clearance or approval from the US FDA. Hardware comes with Philips standard warranty; the software warranty ends the earlier of the cessation of the COVID-19 emergency declaration or 1 year.

PROGRAM BENEFITS:

- ✓ Extend capital budget and comply with federal "Safe Harbor" laws
- ✓ Implement leading-edge technology into your facility to support patient care
- ✓ Receive capital equipment upfront when anticipated disposable purchases are made
